The wool has been produced in an area in which no list A diseases of the Office International des Epizooties (OIE) have occurred that infect the particular species for a radius of 30 kilometres. Replacement certificate issued in lieu of certificate 8950533 Dated 12-APR-2019

It has been declared to me, a duly qualified veterinary surgeon in the employ of the Government of the Commonwealth of Australia and I have no reason to doubt the products described above were derived from animals of Australian origin or which have been raised in Australia for more than three months and the products were treated solely within Australia. I further certify that foot and mouth disease and rinderpest do not exist in Australia, and that anthrax is not prevalent in the district of origin of the above-mentioned products.
