Welcome!

Welcome to our 6th annual on property ram sale. We hope you are keeping safe and healthy in these whirl wind times.

This year we have decided to incorporate Auctions Plus with the auction due to the current Covid restrictions to give people the opportunity to view and bid in the safety of their own homes. With this in mind, we have changed our sale day to **Friday the 15th of October, inspection from 10 am, sale at 1 pm**. If anyone would like to know more about our sale draft, or would like a presale inspection please do not hesitate to get in contact. We are more than happy to accommodate you for an inspection at a time that is convenient.

This year we are offering 48 rams. It is an increase in numbers to last year but we feel that the quality is there. At the time of writing this, we have no fat and muscle data due to Covid restrictions, but hopefully by the sale we can have this information available. All rams were shorn on the first Monday of March, 2021.

Thank you and hope to see you on sale day.

Malcom, Helen, Gavin, Carina & Penny Swords

COVID SAFETY PLAN

Covid has affected our lives in many ways and our sale is not exempt from these restrictions. Unfortunately, only genuine prospective buyers may attend the sale. The sale will be interfaced with Auctions Plus for those who are unable to attend. Any prospective buyers are advised to pre-register with selling agents AWN. We will update you with a link to register on our Facebook page and Website closer to sale day. If you are unable to pre-register you are able to register on sale day but you must do this before accessing the sale day facility.

We will be abiding by all Covid requirements outlined by the NSW government. We are a Covid Safe business and require all in attendance to sign in using our QR code which will be at the entrance to the sale, or alternatively sign in with your name and contact number.

Things seem to be changing daily. We will do our best to update you with changes via our website and Facebook page. Hopefully by October 15 restrictions have eased and the sale may be semi normal. We ask that all in attendance wear a mask for the duration and practice social distancing.

Unfortunately, due to these restrictions we are only able to provide light refreshments.
