At Karori we are dedicated to producing uniquely soft, white, bright ultrafine wool on a robust and fertile merino that will produce a profitable return per DSE.

Some 2022 prices for Karori wool include:

- 3300 c/kg for a line of 15.2 $\mu$  and 50 N/ktex wethers fleece wool
- 3261 c/kg for a line of 15.5 $\mu$  and 53 N/ktex wethers fleece wool
- 2890 c/kg for our top line of 16.0 $\mu$  and 53 N/ktex wethers fleece wool
- 3888, 3850 and 3650c/kg for three lines of 14.0 $\mu$  hoggets fleece wool
- 3188 c/kg for a line of 14.5 $\mu$  hoggets fleece wool
- 3351 c/kg for hoggets BKN at 13.6 $\mu$

**USING KARORI GENETICS WILL GIVE YOU:**

- Plain bodies (No mulesing for 16 years)
- Uniquely soft, white, crimped wools
- Excellent worm resistance
- Great staple strength
- Good fertility
- Good eye muscle and fat
- A sheep that can handle all environments. This year's sale team has excelled despite 2022 being extremely wet with 1300mm of rainfall.
- Very good confirmation and foot structure

The Karori on-property Ram Sale will be held on:
