WAVERLEY DOWNS MERINO STUD

Horn Flock No. 4071 Poll Flock No. 1174

Clip Average for the last 10 years is 17.2 micron

Waverley Downs Merino Stud was founded in 1985 by Kevin and Jane Leader based on Merryville Bloodlines, using stud ewes from Bocoble Stud, Mudgee and Westvale Stud, Wollun and a stud sire from Merryville Stud Boorowa.

The poll stud was registered in October 1992, using Waverley Downs bred ewes and poll sires from Emu Hill.

Waverley Downs Merino Stud was purchased from Kevin and Jane Leader in October 1998 by Sean and Judith Ballinger.

Waverley Downs has been especially focused on the real profit drivers for many years with those being kgs of wool/head, lambs weaned per ewe and body weight. We continue to select for frame size, good bone structure, wool softness and style. We have also paid a lot of attention to ewe maternal instincts which has led to exceptional fertility rates. With excellent results in 2023 lamb marking being 114% to ewes joined. While all ewes lamb in normal paddock conditions in mobs of twins or singles, it goes to show selection for ewe mothering ability is so important. At this year's shearing our breeding ewes cut an average of 5.7kgs/head, and our stud hogget ewes averaged 6.1kgs/head.

SIRES 2024 SALE

MA22 Merryville Ram purchased in Armidale 2022

SCJP302 Son SCJ17

M119 Merryville Ram purchased in Inverell 2019
